EYE INFO:(0)

Ek voorspel dat hierdie jong cock een van my heel beste teelduiwe gaan word. Die eerste jaar wat ek hom teel, teel hy reeds 'n jonge wat die Jamestown Derby met 6 minute in die Combine wen! Hy is 'n lowonde monument vir die duiwe ras.

Ek het hom aangekoop direk vanaf Johan Schmidt. Hy was toe reeds 'n kampioen teler vir Johan. Vir my het hy ongelooflike goeie duiwe geteel, waarvan 'n dubbel wenner en ander wenners sowel as top vlieërs. Ek het hom gepaar met my Gert Swart Bloues en dit het vuurwerke veroorsaak. Een van sy seuns het in 2014 my beste jongduif geteel! Beter as hy vind jy nie om elke hoek en draai nie.

Johan write: "to write the performances of "Wit Oog" either racing or breeding will fill a few pages. The best Lou Wouter Cock I know of. He bred the following pigeons to name a few. Leeu Ganka Federation winner; Derby winner, Double Classic winner. This alone places "Wit Oog" in a class of his own. His breeding ability is unlimited, one of a kind. His sons and daughters breed winners.
