BE 3006162 '22 - The Barcelona Cock

This cock is directly linked to an International Barcelona winner called "Queen of the Night". The Barcelona cock's aunt is Queen of the Night – his dam is her full sister. This family of birds come from a long line of Barcelona and ultra distance family.

DAM

ZA FB 12623 '21 "GOOSEBUMPS"

Ace Ultra Distance Bird FBHU 2022

This bird honours the legacy of the late Yusuf Moerat and is owned and raced by Moerat Hokke.

She was raced in the tough Vryburg ultra distance race (928km) where only a few birds were home on the day – she scored position 16 versus 2769 birds and was timed at 18h26 and within a few weeks she was again 12th vs 2956 birds (10140KM). Her only racing daughter ZAEP 2 '23 was 10th Ace bird FBHU long distance and the first yearling Ace FBHU long distance in 2024.
