Strain: Whitey Hattigh

Color: Recessive Red

This cock was a gift from Russell Van Der Merwe he was put to stock straight away and immediately started breeding super pigeons for me and quickly became one of my best stock cocks until tragedy struck and I found him dead in the loft with no indication as to the cause.

ZA 12 GPU 3903

Alias "Off Tail Hen"

Strain: TNT

Color: B/Bar

A super little hen she was my club sale in 2013 and was leading the best bird averages when on the basketing night of the club sale I found her in the loft with her tail missing knowing she wouldn't recover in time to race that season I put her to stock a decision I will never regret as she is a superstar in the stock loft.
