1st National Ace Pigeon All Holland - Old Birds  
N.P.O. 1999

Rocket should have been the only 1st National Ace All Holland to win back to back years if he had been entered in the competition in 1998. He had the most points two years in a row in national competition. The Rocket's family is the old Tournier bloodline. The fancier who raced the Rocket raced only 14 males in short, middle and one day long distance races. Four full brothers and five direct sons of the Rocket were all 1st prize winners.

The Rocket won 1st prizes at short, middle and also long distance races against thousands of birds winning 4 years in a row. He is a true champion racer and a proven breeder of winners.

Belg 3181937-05 - LADY ZORRO When visiting Europe I'm always looking for that special bird or two that I can try as a cross with my MONA LISA family. I always wanted to visit Filip Norman and handle the father to his 1st Place Million Dollar race winner in South Africa. The name of this super breeder is ABRAHAM. I visited Filip and handled some of his top birds. My interest was in a bird named ZORRO and the famous ABRAHAM. I handled many nice birds but I especially liked LADY ZORRO and her twin sister. They both had everything I look for in a super breeder. I was successful in buying them both. Now I have a new friend and two super breeding hens.
