A brilliant hen from Nico van Rensburg. She is a winner herself and has bred winners for Team Wilnic. She is the full brother of 1617 PWF 2015 who won three times for Nardus Volschenk. 1617 thereafter bred several good racers for Team Wilnic.

This hen flew well for Team Wilnic, especially on the longer distance. Put to stock because she has, in my view, the required breeding eye. Has already bred, as an example, 7873 that flew 2, 7 and 19 in 2025.

One of the best Catrysse cocks of Nico van Rensburg. Bred several winners who in turn also breed winners. A son 1056 won Richmond 740km for Nico. The nestmate 1055 bred winners for me, including 2318 that won the Union from Ventersburg. Another son 1078 bred us 3228 that won the opening YB race in 2025 in the Combine of the Greater Gauteng. This was a champion cock!!

BREEDER OF WINNERS! This hen is currently one of my favourite stock hens and has bred winners. One of her children was PRETORIA REBELS best pigeon in the Green Jacket series at Afrikapro in 2025. She raced very well herself scoring 2nd Club Cradock 5th PWF, 3d Club Winburg 30th PWDU etc. She has bred winners with different cocks!

LOT 98 at the 2017 Schmidt & Boucher sale. A CHAMPION BREEDER for me. Linebred to typical Geerincks pigeons of the CHIPO and GLADIATOR lines. A son 12180 won the Union and Gauteng Combine from Verkeerdevlei. In 2021 two siblings went crazy and 5 of the 6 short distance Open races in ZWDK - 21840 won 3 times and his sister 22940 won twice - both now at stock.
