On my return to the sport in 2017 he became my foundation cock. Comes from a long line of Union winners. When paired with 23948 of Charl Stander they bred me 0614 and 0615 that were my best stock pigeons for many years - both breeding several winners. Bred from Lot 18 and 60 at my 2015 sale. Together they bred a double winner 03320 for Wally Waldeck who in turn bred a triple winner 02864.

Turbo Tom/Powell
Checkered
3 X WINNER AND BREEDER OF WINNERS. He got his nickname as he went crazy when he arrived home - a bad trapper that still won three times. He bred several winners like 03320 (for Die Waldecks) who in turn bred a 3 times winner and 02657, 02658, 02697 who all later became basis stock pigeons in my loft. They bred countless winners at the highest level.

Bred for stock. The father 02657 is my basis cock. Paired to Charl Stander's 23948 they produced outstanding stock pigeons like my own 0614 and 0615 - these two cocks bred me several winners paired to different hens and still forms the backbone of my stock loft. The mother 2016 flew, amongst other 3d Cradock for Nico van Rensburg. As a stock hen she excelled and bred several winners for Team Wilnic like 3228 that won the Combine of Greater Gauteng in the opening YB race of 2025. A fullsister of the hen at sale, ZABENZ 5310 '23, also won in 2025 when she won the Tshwane Pigeon Association (TPA) from Reddersburg 463km with a break of 2 minutes 9 seconds. I am sad to let 3661 go!!
