ZA 20 NOVP 1523 is Linebred to BE 18/4234468 Melts Best Kittel .Melts Best Kittel is regarded as one of Best Kittel mos potent breeding sons . ZA 20 NOVP 1523 , was already a star breeder of 2 super pigeons for Gys Louw when i bought her . For me she was the best fit for " Lot 1 Best Kittel 606 " . The reason for the mating was to get maximum line breeding back to " Melts Best Kittel ." The result proved spectacular and the linebred children became star breeders countrywide over all conditions .

My recommendation is that they are bought as a pair . Surely they are
