The cross between our old family of Psinter Putteries with the offspring of "GOLDEN CARELLY" and "MOTHER OF THE LOFT" produced our best racer and 1st National Ace All Distances and 10th Best YB in the World "TATJANA"

We are in the process of replicating this cross with several top pairs. This baby cock is the result of such a pair and because of his special features we are confident that he has great potential as a breeder.

His father is a grandson of "GOLDEN CARELLY" X "MOTHER OF THE LOFT" and his mother is out of our famous pair "PLATINUM JAN" X "CHESTNUT HEN". These are the pigeons that brought us fame for over 60 years and they continue to produce champions every year!
